

Regina Downtown BID

Serving Downtown for over 30 years....

The Regina Downtown Business Improvement District (BID) operates as a not-for-profit organization. Regina Downtown BID provides a range of services to promote and enhance Downtown's unique assets, improve conditions for businesses operating in the district, and improve the quality of life for those who shop, work, live and enjoy Downtown. Regina Downtown services act to supplement the services already provided by the City of Regina, not replace them.
