

Regina Downtown BID

Serving Downtown for over 40 years....

The Regina Downtown Business Improvement District (BID) operates as a not-for-profit organization. Regina Downtown BID provides a range of services to promote and enhance Downtown's unique assets, improve conditions for businesses operating in the district, and improve the quality of life for those who shop, work, live and enjoy Downtown. Regina Downtown services act to supplement the services already provided by the City of Regina, not replace them.

The Regina Downtown BID is here to serve our members and to make Downtown a complete neighbourhood. Our staff, led by the Regina Downtown BID Board of Directors, works to help our members get the most out of being located in the heart of the City.
